You've created 1 of 3 Applets

If This Add

Then That

Workflow	World Health Organization	World Wildlife Fund	Wyze	X-House smart home
Xtactor	Yardian	Yelp	YoLink	YouTube
Z-Ware	ZEEQ Smart Pillow by REM-Fit	ZenseHome	Zubie	Zuluhood

New liked video

This Trigger fires every time you like a video on YouTube.

New playlist

This trigger fires when a new playlist is created by a specific channel.

New subscription

This trigger fires when a new subscription is made by a specific channel.

New video by channel

This Trigger fires every time a specific channel publishes a video.

New video from search

This Trigger fires every time a video is published that matches a search query.

New public video uploaded by you

This Trigger fires every time you upload a new public video to YouTube.

New public video from subscriptions

This Trigger fires every time a specific user you are subscribed to makes a new video public.

New Super Chat message

This trigger fires when there is a new Super Chat message in a live chat during a live stream on your channel.

YouTube

YouTube is a video-sharing website on which users can upload, share, and view videos. Use Applets to manage your liked videos, get notified about new uploads from your subscriptions, and grow your YouTube subscribers by automatically letting the world know when you post something new to your channel.

You've created 1 of 3 Applets

If ▶ New liked video   Delete

➕

Then That   Add

Sonic	Sonos	SoundCloud	Sowee	Spontit
SpotCam	Spotify	sRemo	Stack Lighting	Stockimo
Strava	Streamr Network	SurveyMonkey	Swidget	SwitchBot

Connect service

❓

Spotify

Spotify is a digital music service that gives you access to millions of songs.
Applets can help you save your Discover Weekly and Release Radar playlists,
share your favorite tunes, and much more.

Connect

Add track to a playlist

This Action will search for a track and add the first result to a playlist you specify.

Playlist name

YOUTUBE LIKED VIDEOS

Must be a playlist owned by you. If a
playlist with the name given can't be
found, a new private playlist will be
created.

Add ingredient

Search query

Liked on YouTube: Title Url

For maximum accuracy, include the song
title here and the artist name in the
"Artist name" field

Add ingredient

Artist name

JJK

Optional
